## TOP STORIES FROM ACROSS EAST DEVON AND SOUTH SOMERSET

### AXMINSTER

## Mayor warns of bank closure's knock-on effect

**AXMINSTER** mayor Douglas Hull says HSBC's decision to pull out of the town is a matter between the bank and its customers, but he warns there is "always a knock-on effect".

HSBC announced just over a week ago that its Axminster branch will close at the end of September.

A press bulletin said there had been, on average across all branches, a 40 per cent reduction in footfall over the last four years – but in a further statement to *Pulman's View*, HSBC said it did not have footfall statistics specific to the Axminster branch.

In a letter to customers, however, HSBC said the decision was made "after careful analysis of the branch's commercial viability".

Although Axminster will have four banks after HSBC's closure, there is an element of concern.

Axminster mayor Douglas Hul said: "It's between them and the customers – but there is always a knock-on effect once there is a closure."

"People who come into town to bank slip into other shops and businesses and might stop for a coffee – and when you start losing banks you could lose these customers."

HSBC is promoting Chard as an alternative for its Axminster customers.

Axminster Printing co-owner Jane Rockett is not affected by the closure, but echoed Mayor Hull's thoughts by saying: "There is a risk that business is taken from Axminster to Chard if people do their banking there."

## From the editor's chair Are the other banks safe?

**BANKING** is not what it used to be. Long gone are the days when you could have a cosy chat with your bank manager who would listen sympathetically to your financial needs.

How many of us actually know who our bank manager is? In fact, do bank managers exist anymore?

I pose these questions after the news, reported last week with further reaction this week, that HSBC in Axminster will be closing its doors in September with its customers being moved to the Chard branch.

HSBC say there is a reduction of 40 per cent in footfall across all branches, though they did not have any specific figures for Axminster.

I've been a customer of HSBC and its forerunner, The Midland Bank, for 50 years.

I suppose I'm fairly typical of your average bank customer these days – I rarely go into my

bank, executing most of my transactions via the internet. I can't remember the last cheque that I had to pay into my account and we are told that cheques will be eliminated completely within a few years.

There are fears that Axminster's loss could be Chard's gain as businesses switch across the Somerset border.

But it's the older customers who will be most affected, those who do not have – or indeed want – access to the internet.

Some would argue that a small town like Axminster does not need five banks but how safe are the four remaining establishments? NatWest is closing their Lyme Regis branch. Will we be reporting on other closures in the coming months?

I wouldn't put money against it.

### HONITON

## Has MP made U-turn on fracking stance?

**A HONITON** resident says the town should be safe from fracking after an alleged U-turn by MP Neil Parish (Cons).

But Mr Parish, who is MP for the Tiverton and Honiton constituency, hasn't admitted to making a U-turn.

Instead, he issued a statement saying he can see both pros and cons with fracking, which is a process to extract oil or gas.

Having listened to Mr Parish in a Westminster debate on June 30th, Honiton resident Tony Simpson claimed the former had changed his mind and is now opposing the views of the Prime Minister.

### COLYTON

## Youngsters impress

**COLYTON** Grammar School students have won a worldwide competition involving more than 100 schools and culminating in a week of finals in Hong Kong.

The PolyU Innovation and Entrepreneurship Global Student Challenge, which is organised by the prestigious Hong Kong Polytechnic University every two years, asks students to come up with innovative ideas and pitch them to panels of high-powered academics and business leaders from around the globe.

The Colyton team, named 'Salus', came up with a product called "StopAid" – a safety warning device for cars which was inspired by their own experiences when learning to drive.

### SIDMOUTH

## Web site award for Manor Pavilion Theatre

**SIDMOUTH'S** Manor Pavilion Theatre has won a Certificate of Excellence Award from travel review web site TripAdvisor.

Staff at the venue, owned and managed by East Devon District Council (EDDC), are thrilled with the accolade.

The 277-seat theatre continues to go from strength to strength and has attracted more than 32,000 visitors in the last year with over 265 performances. EDDC bosses believe regular investment and improvements to the venue are major factors behind the success.

Manor Pavilion Theatre manager Graham Whitlock said: "We are all delighted to receive this award especially as we have always aimed to give the best possible service and experience to all our customers."

### SOUTH SOMERSET

## Community assets

**NEW** statistics show that 100 per cent of applications to list community assets in South Somerset have been successful.

South Somerset District Council's (SSDC) Register of Assets of Community Value currently features 23 properties/plots of land, although only one has progressed to negotiation between owner and potential 'saviour'.

The Community Right to Bid came into effect in September 2012 as part of the Localism Act 2011 and gives local communities the chance to save assets believed to be of benefit to the community.

For example, the legislation can be used to try to prevent pubs from being converted into housing.

## OTTERY ST MARY Town council united against quarry

**OTTERY** councillors have united in opposition to controversial plans for a 100-acre quarry on the edge of the town.

All members of the town council's planning committee stood against the proposals, submitted by Aggregate Industries, which would lead to a large sand and gravel quarry being created at Straitgate Farm.

Around 60 residents attended last week's meeting, held in West Hill, near to the proposed site.

Members of the public made a series of impassioned speeches outlining their opposition to the plans, which were described as "absolutely appalling".

At's proposals include starting development at Straitgate Farm, while extending the life of the nearby Blackhill Quarry until 2021 – a further five years from its expiration date.

# Top judge to visit Beer

IT HAS been confirmed that the chairman of the South West In Bloom competition will be judging Beer's entry next week.

Following last year's success, when Beer scooped the Gold Award and the Cox Cup, top man Jon Wheatley will be leading the tour of the village next Monday (July 13th) to decide whether this year's display deserves further accolades.

"All the other judges from the Britain in Bloom South West competition (organised by the Royal Horticultural Society) have been to Beer at one time or another, but Jon Wheatley has never been here before," said Ursula Makepeace, who is the president of the Beer Horticultural Society.

"It will all be brand new to him so that is very exciting and we are looking forward to showing him around."

Mr Wheatley will begin his two-and-a-half hour tour at 11am at Pecorama and Beer Primary School,

by Kevin Fahey

where he will also visit the Puffins pre-school facility.

"The tour has been organised to the last minute and will finish with a visit to the heritage centre where he will be met by Norah Jagers and then he will have a chat with Jim Newton, who will explain the fishing practices on the beach," added Mrs Makepeace.

"I think the village is looking wonderful again and we have around 150 pots and I wonder if there is any other village of this size in the country with so many."

With the RHS adopting the slogan 'Greener Streets Better Lives', Mrs Makepeace is hoping the pots will catch the chairman's eye on his long-awaited visit and help Beer finish among the prizes again in the 2015 competition.

## Seaton in Bloom competition

SEATON Town Council is calling on all gardeners to enter the local Britain in Bloom competition.

There are six different classes for individuals, groups and businesses to enter and the lucky winners will be announced at a special presentation evening on September 10th.

The classes are: Best small front garden (5x5m); Best

medium front garden (5x10m); Best large front garden (10x10m); Best communal residential area; Best allotment site and Best business display.

Winners will each receive a certificate to mark their success with a trophy also being awarded to the first place achievers.

Mayor Tony Woodman said: "I hope as many people as possible will take part in this competition."

"It costs nothing to enter and helps promote the beauty of our town."

"Going around Seaton there are some beautiful gardens to be seen and so the competition could be very keen."

Entry forms are available from Marie Prideaux at the town council offices in the Town Hall. Entries must be in by July 30th for judging on August 7th.

## Roof work to get underway

THE work to renovate the roof of the Mariners Hall in Beer is due to get underway this week, writes KEVIN FAHEY.

Scaffolding was due to be erected yesterday (July 6th) and then the job of over-hauling the leaking roof can begin.

"The scaffolding will hopefully go up on Monday and then the roof repairs can be started next week and will take around two weeks to complete," said Mariners' Hall treasurer and property maintenance manager Martin Ball.

"The Raise The Roof project has been very successful and we have reached our target of £30,000 needed for the work."

Raising that amount of money has been a remarkable achievement by the Mariners' Hall committee led by new chairman Mike Parker.

It has been achieved by a series of fundraising events, ranging from a dance fiesta party night to a table top sale, to successful applications for available grants – most notably securing a

£10,000 grant from the National Lottery – and financial help from East Devon District Council and Beer Parish Council.

When it became clear last year that the roof needed over-hauling Beer Parish Council chairman Councillor Martin Richards said it was a vital project that deserved widespread support.

"The Mariners' Hall is vital to the village so we will do everything we can to help find the money for the repairs," said Councillor Richards.

# Big celebrations for brewery's silver anniversary

OTTER Brewery laid on a party as well as a glitzy charity ball to celebrate the company's 25th birthday.

To help mark the silver anniversary a party was organised at the brewery for landlords, suppliers and associates – followed two days later by a black tie charity ball attended by 340 guests.

This raised more than £7,500 for three local charities; The Devon Air Ambulance Trust, Hospiscare and The Exeter Foundation.

Established in Luppitt in 1990 by David and Mary Ann McCaig, Otter Brewery has gradually developed over 25 years and produced many popular beers.

by **Anders Larsson**  
anders@tindlenews.co.uk

Sales and marketing director Patrick McCaig commented: "Where to start? "Well certainly with a massive thank you to all our landlords.

"They are an amazing bunch of passionate and like-minded individuals who support what we do and make the pull of the West Country so strong.

"I don't think mum and dad had any idea what they were getting themselves into when they started brewing just a few barrels in the middle barn back in 1990."

Still family run, the company employs 35 people who produce a core range of six cask ales and Devon's first pure lager.

These are supplied to one thousand pubs and restaurants across the South West of England and selected outlets in London and Hampshire.

As production has increased year on year, the nineteen acre site has evolved to house a state-of-the-art stainless steel brewhouse, the UK's first underground carbon busting eco cellar, a series of willow beds to naturally treat waste water on-site and new kegging facilities for the latest product, Tarka Lager.

Sponsorship for the charity ball came from many of the company's suppliers including Simpkin Edwards, the NFU, Acanthus Press and Axminster Printing.

Raffle prizes were kindly donated by landlords

## Dementia charity benefits from horse show

TYTHERLEIGH Horse Show's pre-show committee meeting on June 30th saw a £600–cheque presented to charity Dementia Friends.

The sum was raised during last year's show, and Joan Evans of Alzheimer's Society accepted on behalf of Dementia Friends.

Show chairman David Carslake said: "The committee would like to express their thanks to all who supported us

last year and we look forward to another successful show this year."

This year's show is on Saturday July 11th at Chard Equestrian Venue between Chard and Crewkerne, commencing at 9am.

More information about the show is available at [www.facebook.com/pages/Tytherleigh-Horse-Pony-Show/1434457133545883](http://www.facebook.com/pages/Tytherleigh-Horse-Pony-Show/1434457133545883)

SHOWTIME: (l-r) Committee members Ian Evans, Paul Dunning, Dave Carslake, Tony Bengier, Anne Robertson, Joan Evans (Alzheimer's Society/Dementia Friends) and Neil Wells

and from other friends of the brewery including the Deer Park Hotel, Kirker Holidays and Gidleigh Park.

Patrick summed up by saying: "The success of the ball was beyond our wildest dreams.

"After a candlelit dinner under canvas, we had an 18-piece swing band playing on top of the hill that looks down the Luppitt valley above the brewery.

"All the Otter beers were flowing and an amazing

firework display set to the Skyfall theme brought the whole thing to a close somewhere around 2am.

"Looking forward, who knows what the next 25 years will bring for our industry?

"As a family-run enterprise we'll certainly continue to stay true to our roots, keep innovating and keep supporting local pubs, charities, music festivals and sports clubs as much as we possibly can. Here's to another 25."

# Big crowd for school sports day

■ CRUISING: Triumph is within touching distance for the yellow runner

■ CRUCIAL: A mistake at the end proves costly

AXMINSTER Primary School's sports day was held in hot conditions in front of a big crowd.

The sports day involved the whole school, from Reception Class to Year 6.

A variety of events was on the programme, ranging from traditional flat races to bean bag relays.

The event took place in the afternoon of Thursday, June 25th.

## Chicken theft

A POLICE investigation is under way into the theft of ten chickens from a garden in Smallridge, near Axminster.

The chickens were stolen at some point between 10pm on Thursday, June 25th and 8am the following day.

A police spokesperson said: "Anyone able to offer information regarding the theft of, or the whereabouts of these chickens, is asked to call 101, quoting crime reference 44467/15."

## Toy sale

■ A TOY sale by St Mary's Primary School pupils in Axminster raised more than £150 for Catholic Agency For Overseas Development (CAFOD) Nepal Earthquake Disaster Fund.

The children donated toys to the sale, which was organised by and Falcon Class and its teacher, Dr Alison Trew.

They sold the toys during an afternoon to which parents had been invited.

Refreshments were provided by the school's association for parents, teachers and friends.

Headteacher Angela Herrera said: "As a Catholic primary school we always try to support our local community and communities further afield.

"It was therefore really important for the children to know about the suffering of those people caught up in the earthquake in Nepal and to be able to do a small thing for them by raising money for the CAFOD appeal."

# Yellow fish mark the way to the sea in Beer

BEER Scouts and Environment Agency (EA) staff were on a painting mission last Thursday (July 2nd).

The educational Yellow Fish campaign involves painting yellow fish

by Anders Larsson  
anders@tindlenews.co.uk

next to the drains, that connect to the surface water pipes, that lead to the sea.

A spokesperson for the EA explained: "By marking the drains and explaining where surface water ends up, it will show business owners and the public how pollution travels direct to the sea."

"After locating the road drains around the town that drain into the sea and painted yellow fish on the drain covers or kerb stones."

"The Scouts also asked local businesses to pledge not to pour anything down the road drain, such as fat, oils or other dirty liquids."

"Local businesses have also displayed a yellow fish poster to show that they support the campaign."

Scout Emma Burley, aged 12, said: "It was great working on our Environmental Conservation badge and the Yellow Fish campaign."

"I just want to let people know about making the sea clean so we can swim and play in it and the sea life can grow."

Scout leader Fiona Gage said: "The young people have also learnt about water filtration and how the water gets to the sea."

"I am proud of the effort they are putting in to make the village aware on the water conservation."

The EA's Robin Pearson added: "It has been fantastic having the opportunity to work with the local scout group here in Beer on Yellow Fish."

"We hope to show everyone the link between preventing pollution in the town and protecting our bathing waters and in turn help to keep the local beach cleaner."

Other things people can do to help their bathing water are:

- Pick up your dog mess from the beach, and also the roads and pavements where it can get into the drains;
- Put food waste securely in the bin to discourage scavenging birds from the beach and town area;
- Dispose of all waste sensibly;

- Place waste sanitary products in the bin not down the loo where they can cause blockages and sewage flooding;
- Check that your drains are connected properly.

## Concert cancelled

A CONCERT in aid of Cancer Research UK in Seaton has been cancelled.

The fundraising event was scheduled to take place on Saturday, July 25th at Seaton Town Hall, but unforeseen circumstances have forced the cancellation.

## A free taster session in Mindfulness at "Wishing Well", with Kath Woods

For the last few weeks "Wishing Well", Axminster's cancer support group, has been running free talks and workshops for those affected by cancer and their carers. The group meets every Thursday afternoon from 2.30-4.30pm. This Thursday 9th July, participants will have the opportunity to understand the basics of mindfulness and give it a try.

Mindfulness meditation and other mindfulness-based practices are gaining popularity due to increasing scientific evidence supporting its benefits for people with a broad range of medical conditions, including people with a cancer diagnosis and their partners and carers. This deceptively simple practice can help people to manage the anxieties and uncertainties of cancer with greater resilience, calm and ease.

People who learn and practise mindfulness often find they can enjoy life more and feel less bothered by the stressful things that happen on their cancer journey. Mindfulness meditation calms the mind and promotes physical relaxation and emotional balance.

This 2 hour session will be a great introduction and could lead on to a longer course should you want it to.

There are other talks and demonstrations in the pipeline including Elizabeth Bray, a registered nutritional therapist, who will be talking about how nutrition can support those with cancer on Thursday 23rd July. Amongst other things Elizabeth will be explaining how healthy diet choices can help you maintain optimum health. She will also look at food intolerances and how to identify them as well as handing out some recipes.

As well as providing useful information we hope that these sessions will give a supportive and safe place to meet, make new friends and share experiences. The group meets at the Axminster Health and Wellbeing Centre, Hanover House, Chard Street, Axminster. Call 01297 32331 to book a place or just come along on the day.

## Double rescue in Axminster

TWO persons were rescued by firefighters after a drama in Chard Street, Axminster.

It all started when a seven-year-old girl got trapped in an upstairs bathroom as the lock malfunctioned on the morning of Saturday, July 4th.

A lady in the house attempted to free the youngster via the roof, but got stuck.

A spokesperson for the fire and rescue service said: "A fire appliance from Axminster was mobilised immediately.

"On arrival of the fire appliance, the officer in charge confirmed there was one female stuck on a pitched roof, and a seven-year-old girl trapped in an upstairs bathroom.

"Crews made entry to the property and rescued both persons. A short extension ladder and small tools were used."

# Tie-dying fun at Seaton Rainbows

SEATON Rainbows members had great fun tie dying shirts.

The colourful results are seen in the photo (left), and the project came about with the help of Tony Miller from Sunshine Clothing, whose daughter Leighanna is a Seaton Rainbows member.

Rainbows leader Dawn Squire said: "He gave up

his time to give the girls a chance to tie dye their very own t-shirts.

"They learnt the different techniques involved and had great fun creating their own design and choosing the colours they wanted.

"It was very exciting the next week when Tony, having finished off the t-shirts, came to Rainbows with all the colourful designs."

# Hundreds of historic vehicles at 'family fun'-themed rally

AN Historic Vehicle Gathering which takes place on July 11th and 12th at Powderham Castle, near Exeter, will be bringing together the sight of classic vehicles with the sound of jazz, classic rock and blues music performed by various groups. West Country-based groups such

as Straw Dogs, The Locked Horns, Datura Band, Shovelhead and Land of the Giants will be performing during the afternoon and evening to provide a further attraction at what has become one of the region's largest vehicle rallies.

The 42nd Historic Vehicle Gather-

ing, which attracts enthusiasts from across the East Devon area, will also be welcoming along a rare Olympic Gold medal-winning car which competed in the 1936 Olympic Games in Germany. The 1934 Singer 1.5 Litre Le Mans was one of 126 cars from around the world entered in a gruelling 2,000 mile rally organised by Germany to demonstrate to the world their superiority in both the sporting and technological field.

The event is organised by the Crash Box & Classic Car Club of Devon, with the annual rally attracting around 1,400 vehicles ranging from steamers to classic motorbikes, cars and commercial vehicles. This year the theme of family fun will see new attractions such as a light-hearted fun dog show and some vehicle exhibitors wearing period dress.

## An arresting visit

■ WILLOW Class pupils at Offwell Primary School were spellbound when PC Phil Hodder visited.

They learnt about the equipment he needs when he is on duty and were lucky enough to actually use some of the devices.

Headteacher Anne Billington said: "The handcuffs

and car siren were particularly popular.

"Possibly the most thrilling element for these five and six-year-olds was when PC Hodder showed them how he would detain a suspect by 'arresting' a teacher, Mr Dunning.

"Fortunately, Mr Dunning was swiftly released."

## New garden for pre-school

CHILDREN at Stockland and Yacombe Pre-School are making the most of their new garden.

The garden is situated in one corner of the play park, near the pre-school and Victory Hall.

Parents, staff and children enjoyed a grand opening in May when children enjoyed nature-themed crafts and a wild treasure hunt around the playing field.

Valerie Conlon, vice-chairman of the pre-school, said: "We are really delighted with the garden and would like to thank Stockland Parish Council for kindly donating the piece of land."

The children are having a wonderful time, exploring nature and planting vegetables in our raised beds - peas, potatoes and carrots

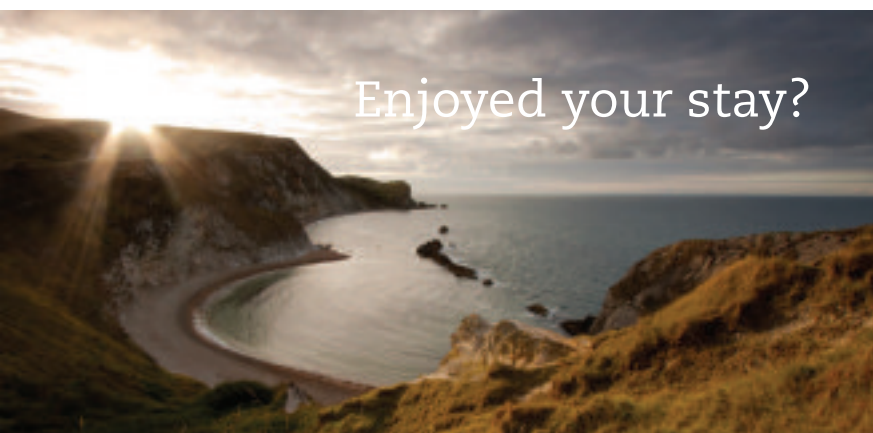

by Anders Larsson  
anders@tindlenews.co.uk

are all in the ground and the willow den provides a wonderful tunnel for them to play in.

"We'd also like to thank our parent volunteers, whose hard work made the garden come to life, as well as everyone who supported our fundraising efforts.

"Stockland Educational Fund kindly donated £45 towards equipment and our Hall and Hearty dinner raised a fantastic £733.

"This, together with the generous donation from Stockland Fair committee last year, meant we were able to fund a large part of the equipment we needed."

## Women's Institutes ROUND UP

### KILMINGTON

APOLOGIES were received from Anne Hiett at Kilmington WI's June meeting.

The minutes were read and then the speaker started her interesting talk about chocolate "from bean to bar".

Cocoa is produced by several different countries, the best-producing areas being in the tropics, each country's produce tasting different. St Lucia is an ideal place, hot and steamy with no season so it can be harvested all year round. The flowers grow directly from the bark with the pods varying in size, some as small as a cricket ball, others up to rugby ball size. All the work is done by hand. Pods are dried for a few days, roasted, skinned and crushed to nibs then sent to Europe for finishing by chocolatiers. Couverture chocolate is made only from cocoa butter and is the best. Cuban at 70 per cent is a healthy one and at 72 per cent Venezuelan with a hint of bitterness is also healthy as is Ecuadorian at 76 per cent. The speaker was warmly thanked by Mary for the talk and the tasting.

The entry for Axe Vale Festival is on course and it, with the other WI entries, can be seen on June 20th.

The meeting hosted by River Axe WI is on July 7th.

Kathy gave a report of the NFWI Annual General Meeting held at the Albert Hall on June 4th in the presence of Her Majesty the Queen, HRH the Princess Royal and HRH the Countess of Wessex, who are all WI members. Guest speakers were Lucy Worsley, historian, curator and TV presenter, Helena Morrissey, CEO of Newton Investment Management and Tanni Grey Thompson, former wheelchair racer, parliamentarian and TV presenter.

Various notices of County events were highlighted. Louise has finalised the Mystery trip on Aug 13th leaving the Hall at 5.30. The competition winners were read out.

At the next meeting on July 9th it is hoped to show highlights from the Albert Hall meeting. There is no meeting in August with the next on Sept 10th. The meeting closed at 9.30pm.

### ALL SAINTS

VISIONS of school craft sessions floated into the minds of the All Saints & District WI at their June meeting when Tim Pritchard from The Archway Bookshop came to show how to make paper roses.

However the beautiful vase of tinted roses he had brought with him made members wonder how they could do the same for their homes, or a gift, or a wedding table.

Glue and brushes were passed out; Tim had already cut the petals from old books that couldn't be used for sale to save time, and apologised that he hadn't tinted them (done with coffee apparently, but his cat was interested too and walked all over the paper, so he started again).

There was much chatter and laughter amid attempts to place the petals as shown, with a great deal of concentration as the shapes began to emerge.

Some of the ladies were so pleased with their first attempt they carried on and had their own little bouquets.

The next meeting of the All Saints & District WI takes place in All Saints Village Hall on Tuesday, 14th July at 7.30pm with Melanie Brown talking about skincare. All visitors and new members are most welcome.

## Axminster Phoenix takes the cake

MEMBERS of the Axminster Phoenix Ladies Club had a special treat at their June meeting when Hazel Stapleforth gave an excellent demonstration on icing large cakes.

Hazel, a member of the Sugar Craft Guild, showed the group how to make individual roses with petals and dog roses to decorate a celebratory cake. Her African safari cake in tones of yellows, oranges and reds, complete with giraffes, lions and elephants encircling the cake was also a joy to behold.

At the end of the demonstration Hazel, who has been a guest speaker in the past, donated a beautiful cake with roses, which was raffled and raised £50.

This amount was doubled with a donation from Phoenix Club funds to help people who have suffered from the recent earthquakes in Nepal.

The £100 raised will be sent to Nepal, via Tatworth residents, Canon Rutter and his wife Elizabeth, who have had close contact with a remote Nepalese village for over 20 years, personally assisting with the expansion of the local school. The monies will be administered by the school to

help provide tarpaulins for badly damaged village houses and two schools, prior to the start of the rainy season.

Phoenix Ladies have supported a Nepalese student, Aita Kumari, in the same village for a number of years and although saddened by the news of the disaster members are delighted to continue their support in such a positive manner.

Members are grateful to demonstrator Hazel and to the members in attendance for their generous support of the disaster fund.

Congratulations to club treasurer Julia Walter who won the cake in the raffle.

The Phoenix Club's next meeting will be on Wednesday, 8th July, when the annual Open Meeting will be held to discuss the programme for 2016 and to select the charity for the 2015 donation.

The summer trip to Escot for coffee (plus an encounter with a red squirrel or two) and Killerton House takes place on the 22nd July. Seats are still available. Contact Lesley Frankau for further information on 01297 33420.

## Summery floral demonstration at Sidmouth

HIGH summer with an abundance of beautiful flowers and foliage gave Sidmouth Flower Arrangement Club's demonstrator plenty to work with.

Julia Harrison from Exmouth is an old friend of the club and is a knowledgeable gardener and well as demonstrator and teacher.

She brought some interesting and unusual foliage and flowers from her own garden to add to the bought in varieties.

Her first design was long and very natural looking using pastel shades just as you might see in an English Style herbaceous border, incorporating foxgloves, sweet

peas, hostas and peonies.

Two large black boxes seemed an unpromising start for the next item but Julia used phormium leaves woven in and out of calla lilies, carnations and lisianthus to create a very harmonious linear design that gave the impression of a musical score.

One of her containers was home made from small pieces of bark, leaves and moss sandwiched between decorative wire mesh and formed into a cylinder on top of which the diagonal arrangement was simple and effectively done with delphiniums, germinis, small bridal gladioli

and wonderful foliage. Even better when partnered with a matching pair.

Cylinders of a very different type made from rustic planks were used for the finale. As if emerging from the top of the two tall containers, the flowers and foliage spilled down the sides with pink and orange gerberas making vertical lines through the design. It certainly had the 'Wow' factor. Members gained many interesting tips for their own gardens as well as being highly entertained.

The next meeting is not until September 22nd at St Francis Hall at 2pm.

# View from the beach (huts)

■ IN RESPONSE to C Austin and L Adams:

We (beach hut tenants) are NOT subsidised by EDDC in any shape or form. Indeed the Council makes quite a lot of money out of us.

This is because the Council does not maintain the huts as promised.

They are obliged to maintain the Esplanade at Seaton as it is a public area and part of the sea defences, but this has nothing to do with the huts. They do have to flatten out the stones for the huts on the eastern esplanade but that is paid for out of their rents. The huts on the eastern esplanade are owned by their users and are put up and down at their own expense.

My husband has asked under the Freedom of Information Act for the accounts appertaining to the beach huts, needless to say they have not been forthcoming.

I might also add that if the Council wanted to shorten the waiting list, they should put up more huts. There is room at either end of the western

esplanade for some more, and loads more room on the beach at the eastern end.

The reason that there are 300 individuals on the waiting list (which I doubt) is because quite a number are on several lists. These lists are not weeded to see if people still want a hut. All the people who now have huts have had to wait, sometimes for several years for a hut but some come up every year and eventually one gets a hut. There are already four huts owned by the TIC which are let on a weekly, monthly or seasonal basis. There is always one if not more available. I suggest C Austin & L Adams hire one of those until such time as they get to the top of the waiting list.

The only thing right about their letter is that the bidding process advocated by the Council will disadvantage the many and favour the well off few!

## Fewer collections: a load of rubbish?

■ I DON'T recall reading about the possibility of a three-weekly wait for wheelie bin emptying mentioned before the recent local elections.

Councillor Ian Chubb stated that residents are already among the best in the country for producing less waste, so I don't believe for one moment that this would be introduced to encourage us to recycle even more.

It's a cost-cutting exercise pure and simple, brought on by a Tory government

squeezing funds and the life out of local democracy.

It's not like EDDC even practise what they preach as they don't collect cardboard recycling from my home in Honiton.

If a three-weekly collection is introduced, can we all expect a rebate on our council tax?.

# Call goes out for metal detectorists

■ A LOCAL metal detecting club has a few vacancies for experienced and less experienced metal detectorists in the East Devon area.

The club meets monthly at an Exeter pub and has fortnightly digs on a Sunday.

The digs are on various local farms and over the years some interesting finds have been recorded

and some are now in the RAMM Museum Exeter.

To belong there is a small fee and a requirement for insurance cover.

Anyone interested should contact jamesgcooley@tiscali.co.uk.

## Oblivious walkers face traffic risk

■ THE sun comes out, and the walkers do too.

But why is it that so many walkers using Devon's minor roads and lanes appear determined to risk committing suicide?

They have the choice of walking either facing oncoming traffic, or in the same direction.

The former enables you to be fully aware of approaching hazards; the latter increases the risk of you being flattened without warning unless, of course, you have eyes in the back of your head.

For instance, I was recently driving from Colyton towards Whitford.

A man, walking on the other side of the road, was totally oblivious to a 40ft articulated lorry crawling slowly along behind him, waiting to pass him safely.

When I stopped to point out to him that he was causing a traffic hazard, his face was a picture when he looked behind him.

But when I suggested to him that he would be much safer if he walked on the other side of the road (to face oncoming traffic) he plainly did not understand what I was talking about.

Personally, I would much prefer to be aware of an approaching large lorry, rather than being squashed by it without warning.

Incidentally, even the Highway Code clearly states: "If there is no pavement, keep to the right-hand side of the road so that you can see oncoming traffic".

## Strongman competition Saturday 18th July

LEE Strawbridge has competed within five competitions in Cornwall, Kent, London and came fifth in Southampton a few weeks ago after returning from being in intensive care last year.

Lee broke 13 ribs and 5 vertebrae; he shattered his collarbone and punctured his lung in a fall.

The doctors stated that strongman training had saved Lee from being paralysed.

Lee said, "I couldn't wait to get back training and decided to hold a fundraising competition for the Ottery Tar barrels event, which I participate in every year. The competition will be held on Saturday 18th July and starts at 11am at Canaan way, Ottery. Competitors are currently booked in from Kent, Southampton, Bristol, Cornwall and of course Ottery. There will be a bar and BBQ on site all day for spectators and also a few events for people to try!

Lee's wife has also caught the bug and has competed in three competitions this year so far. During August this year, Ottery will be hosting 'Ottery's strongest woman 2015' at the family fun day.

**SATURDAY JULY 11TH**

**HINTON ST GEORGE:** 'Flicks in the Sticks' presents

# What's Happening in July at Iminster Arts Centre

Cool jazz on a summer's evening. Add in a delicious home-cooked meal, good company and the historic surroundings of the Meeting House and you've got the makings of a great night out. Every Friday night this July, we will be providing just that with a series of superb jazz concerts. Things got underway on July 3rd with the latest of **Mike Denham's** 'SpeakEasy' nights, when the master of vintage jazz was joined by formidably talented clarinetist and sax player **John Wurr**. On the 10th the **Chris Gumbley Quintet** will be 'playing tribute' to the late, great saxophonist, Cannonball Adderley, while blues legend **L'il Jimmy Reed** joins us on July 17th, for an evening of soulful Louisiana blues. On the 24th two of Scotland's finest jazz musicians, saxophonist **Tommy Smith** and pianist **Brian Kellock**, will play classics from the great American and European songbook. We end July with an evening of feel-good jazz from **Digby Fairweather and his Half Dozen**, who are playing IAC on Friday 31st as part of their 'The Swing is the Thing' tour.

On Sunday, July 26th we host **Maiastra**, one of our series of superb classical concerts given by top-class students from London conservatoires. Violinist Arisa Fujita's quartet will perform a programme that features Haydn, Bach and Beethoven's Quartet in E flat major, Op 127. This concert is not in our brochure but full details of it, and all our other events, are on our website, [www.themeeting-house.org.uk](http://www.themeeting-house.org.uk).

Our visual arts offerings are equally enticing. In the Gallery until Saturday 25th, 'Across the Borders' features three artists from Dorset,

with Abigail Willis

three from Devon and one from Kent. Roaming across the landscapes and coastlines of their respective counties, this dynamic exhibition includes applied textiles, mixed media, ceramic sculptures and prints as well as fused glass. 'On the Edge' opens on 27th July and showcases the skilful work of the Stitch Textiles Artists, whose interpretations of the show's title take stitch practice to the edge of conventional boundaries. In the Café there will be a display of paintings by the late **Kenneth Garwood**.

For those who prefer a hands-on approach to art, our programme of Workshops has plenty to satisfy those creative urges! Unfold the art of **fabric origami** on Wednesday 15th, or experience the fun of **felted** on Friday 17th. Our **Dorset Buttons** workshop on 23rd is a wonderful opportunity to discover a distinctive local craft, and make your very own personalised button! The creativity continues through to the end of the month with our **Rag Rugs** workshops on 24th and 'Crazy Patchwork' on the 31st.

# Ian Rosenblatt announces return of Branscombe Festival, 24-26 July 2015

Branscombe village, various venues · [www.branscombefestival.co.uk](http://www.branscombefestival.co.uk)

THE stunning Devonshire village of Branscombe once again plays host to some of the world's top musicians when the Branscombe Festival returns for its third year from Friday 24th to Sunday, July 26th.

Highlights include:

- 4-MALITY perform a range of music by contemporary composers, including Steve Reich, in the festival's opening concert

4Mality

- British string quartet the Sacconi Quartet perform music by Schubert and Beethoven
- Soprano Susan Bullock presents a programme entitled 'Songs My Father Taught Me' with pianist Richard Sisson
- Previous Rosenblatt Recitalists Francesco Meli and Angel Blue join forces for a recital with pianist Matteo Pais
- Dance band The Leo Green Experience are back by popular demand with their late-night jazz gig, with singer Danny Toeman
- The Band of the Royal Marines give a free concert on Branscombe beach on Sunday

Presented by Ian Rosenblatt (founder of London's Rosenblatt Recitals), Branscombe Festival combines world-class musicians with an idyllic countryside setting. Over three summer days, leading classical and jazz artists perform in the village's most picturesque venues, and even on the beach.

The festival is once again curated by Ian Rosenblatt, with renowned pianist Iain Burnside (a regular accom-

panist for the Rosenblatt Recitals) and presented by BBC Radio 3 broadcaster and journalist Petroc Trelawny.

A cream tea will be served on the Saturday afternoon and a hog roast available later that evening. The Festival culminates in a FREE concert on Branscombe beach by the Band of the Royal Marines.

Located within the East Devon Area of Outstanding Natural Beauty, Branscombe Festival was launched in July 2013 by local resident Ian Rosenblatt. His aim was to mirror the ethos of the Rosenblatt Recitals by enabling audiences to experience leading international musicians in an intimate setting.

Previous festivals have been a runaway success with the Sidmouth Herald stating that "a magical atmosphere lingered delightfully over the village of Branscombe last weekend as the inaugural Branscombe Festival blossomed into glorious full flower."

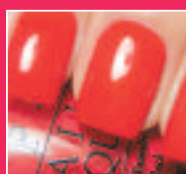

Ian Rosenblatt says: "I am delighted to announce the programme for Branscombe Festival, now in its third year. We have a stunning array of musicians and singers involved, from singers Susan Bullock and Francesco Meli to the return of the Leo Green Experience, and I can't wait to welcome them all to the beautiful village of Branscombe. We hope that people from near and far will enjoy everything that the Festival and the surrounding area has to offer."

# The Stay at home Dandy

*Comedy on the school run from Luke Wright*

LUKE Wright is one of Britain's leading stand-up performance poets, writing and performing 'poems that get you in the gut', and The Marine Theatre welcomes him to its stage on Thursday, July 9th.

Decadent boozehound Luke Wright would love to spend his life flouncing around looking fabulous, but back in rural Suffolk he's stuck with the school run. Naval-gazing is all very well, but other people can be magic. By turns funny, poignant and political, this stay-at-home dandy celebrates ordinary people having extraordinary moments, then sticks a "champagne-rinsed rococo boot" into the swines who run things. Wright tells captivating stories in visceral verse from neglected corners of Britain.

Luke Wright performs at the Marine Theatre, Lyme Regis this Thursday, July 9th at 8pm. Tickets are £10/£9, and a TheatreFriends discount is available. LYT members can come for £1.

To book visit the website at [www.marinetheatre.com](http://www.marinetheatre.com) or call Lyme Regis TIC on 01297 442138.

## Talaton and the Great War One Hundred Years Gone 1914-1918

*An exhibition of Memories and Stories from the Great War*

FOLLOWING the success of last year's event this exhibition shares memories and stories that we have researched over the last 12 months. Talaton's story includes all those who call that parish home both past and present and we hope to include a lot of new memories.

The story of the Great War will take us from the high seas off South America to the last days of the Dardanelles Campaign and from the Ypres Salient to the Somme, in the company of the navy, cavalry, flying corps, infantry and the artillery.

Amongst others, we will be following in detail two local soldiers in the Devonshire Regiment on the first day of the Somme and another from his arrival on the Western Front through his service at Ypres to his death in France in 1918.

Our exhibits will include original artefacts and pictures, photographs, trench maps and histories of soldiers, of all ranks, linked to the parishes of Talaton and Larkbeare, the Escot estate and Talewater.

A highlight of this year's exhibition will be a fully equipped Bell Tent manned by Soldiers of the Great War. We are indebted to the WW1 Living History Group for providing this exceptional opportunity to see what everyday life was like behind the trenches in the 'war to end all wars'.

Adjacent to the Church, from 5pm, join in the fun at the Talaton Church BBQ with live music and licensed bar. Take part in skittles and family games, tumble, visit the book and white elephant stalls. Also for sale will be plant and produce, make and bake.

For a view on all the fun climb to the top of the Church Tower.

The exhibition of Memories and Stories from the Great War takes place in the Church of St James the Great, Talaton on Saturday, July 11th, from 12noon to 7pm. Entry is free.

### All Wrapped Up

A NEW workshop at Ilminster Art Centre led by quilting expert k3n has the art of fabric origami all wrapped up! This is your chance to learn simple folding, pressing and sewing techniques for creating dimensional blocks and borders which can be used to add interest to your quilts.

Included with your workshop notes will be two of k3n's own patterns which you can use to create a wall hanging and a lap quilt, or you can make sample blocks and come up with your own design. The course will mostly involve machine sewing with some hand finishing. Participants should bring their own sewing machine.

The Fantastic Fabric Folding workshop takes place on Wednesday, July 15th from 10am-3pm. The workshop costs £25 (break for lunch, bring a packed lunch or lunch can be bought in the café).

To book call the Arts Centre on 01460 54973.

## The And Finally Big Band to play Octagon Theatre

'THE And Finally Big Band' is an offshoot of the critically acclaimed 'And Finally... Phil Collins', and they'll be performing in Yeovil later this month.

Show producer and drummer Tim Harper has always wanted to create a traditional jazz swing orchestra in the style of Phil's own big band and this is it!

The original Phil Collins Big Band was a side project, which performed in 1996 and 1998. The group presented big band renditions of Phil Collins and Genesis songs. The group was primarily an instrumental act, with Collins remaining behind the drums, like the early days of Genesis and rarely singing at performances. Initially the band did a short tour in 1996 culminating in a live filming of their appearance at the 'Montreux Jazz Festival'. The band released one album... 'A Hot Night In Paris', recorded in 1998 and released in 1999.

'The And Finally Big Band' accurately recreates a combination of both of Phil's live Big Band

Chris Lloyd

shows using the original musical arrangements and performed by a twenty world class musicians. Such great classics as 'Sussudio', 'Two Hearts', 'In the Air Tonight', 'Invisible Touch' and many more of Phil's compositions are given the huge Big Band treatment.

Phil's original shows had a guest vocalist appearance by Tony Bennett. For this show Chris Lloyd, of Talon fame, joins the band for a cameo performance singing some classic swing standards of the Big Band era.

This is a unique show combining the rare Phil Collins performances with an unforgettable big band experience performed by the very best of UK musicians.

The And Finally Big Band play at the Octagon Theatre, Yeovil on Saturday, July 18th. Tickets costs £20/£18.50. For more details or to book call the Box Office on 01935 422884 or visit [www.octagon-theatre.co.uk](http://www.octagon-theatre.co.uk)

## BUSY LANDLORDS WORKSHOPS AT SYMONDS & SAMPSON PROVIDING LEGAL KNOWLEDGE AND BUY TO LET ADVICE

RACHAEL James, Head of Lettings has hosted three Landlord's Workshops over the last month throughout the region from Axminster in Devon, Poundbury Dorset and Yeovil Somerset.

"We were delighted with the turnout, it was so interesting to meet such a wide variety of enquiries. They ranged from buy to let investors where we gave advice on properties to buy that would attract the right tenants, to concerned Landlords wishing to be advised on the new legislation the private rental sector has been bombarded with recently.

We have had to completely change our legal documents and advise our landlords of the fundamental changes to the law and their obligations. There are so many landlords managing

their own properties without the knowledge that can affect possession procedures. **We pride ourselves on ensuring all our lettings staff obtain ARLA (Association of Residential Lettings Agents) qualifications so that they are in a position to give our landlords and tenants the most up to date advice.**

This is why at Symonds and Sampson, we have decided to provide this information by organising regular Landlord's workshops throughout our 12 offices. For forthcoming events or indeed, a personal meeting, please contact Rachael James on 01258 458473 or email [rjames@symondsandsampson.co.uk](mailto:rjames@symondsandsampson.co.uk)

## SPOTLIGHT

### SPOTLIGHT ON MY SERVICE

## Westcountry Chimney Services

WESTCOUNTRY Chimney Services are a professional company based in East Devon providing chimney services throughout Devon, Dorset and parts of Somerset.

Trained by the Guild of Master Chimney Sweeps, proving commitment to the chimney industry and demonstrating this commitment and professionalism by taking the time to pass the Guilds assessment.

We are fully insured and will supply a certificate for every flue swept.

Advice will be given on areas such as correct ventilation as this will help to improve the efficiency and safety of the appliance.

It is extremely important to regularly sweep your chimney flue to prevent soot build up within the flue which can cause a chimney fire.

Soot build up can cause damage to the flue, not only reducing the efficiency of the appliance but can cause dangerous fumes such as carbon monoxide leaking into your home thus why regular sweeping is imperative.

Included in our service:

An inspection of the flue will take place to check condition and see if there is any obstruction or damage to the flue, then

The appliance will be checked for any damage such as cracks and corrosion of the seals.

The flue will be swept using the correct equipment and all fall out will be cleaned up and removed.

Finally a smoke test will be done to confirm the appliance is drawing efficiently.

All prevention will be taken to stop any soot getting on to carpets or furnishings by the use of dust sheets, protective foot ware and a commercial vacuum. Westcountry services do a wide range of chimney flues including woodburners, range cookers, Agas and inglenooks.

## Exclusivity guaranteed with New Kia Sportage Axis Edition

EXCLUSIVITY is guaranteed with the new Kia Sportage Axis Edition, a limited-run model of which only 1,200 will be made. The Sportage 'Axis Edition' has been styled and equipped to provide retail and fleet customers with many of the features of a high-grade Sportage for a mid-range price, starting from just £20,995 on the road – on sale from 1 July.

It will be available with a choice of two efficient powertrains and four paint colours. The engines on offer are the 1.6-litre GDi direct-injection petrol unit developing 133bhp and 165Nm of torque, or the advanced 1.7-litre common-rail turbodiesel which develops 114bhp and 260Nm. Both are front-wheel-drive models featuring a six-speed manual transmission linked to Kia's Intelligent Stop & Go (ISG) engine stop-start system to save fuel and

eliminate emissions when idling in traffic.

The standard colour is solid Arctic White, but buyers are able to opt for one of three metallic finishes – Phantom Black, Fusion White or Dark Gun Metal – for a price of £525.

### SUV finishing touches

The Sportage 'Axis Edition' models sit between trim grades '2' and '3' in the range, but include many of the features found even higher in the line-up plus a number of SUV finishing touches, including roof rails as standard. The black gloss arrow mesh radiator grille with chrome surround, LED daytime running lamps and rear LED combination lamps and the roof-mounted 'shark's fin' antenna deliver a premium look. Automatic headlight control is included in the lighting package, and the 'Axis Edition' models are fitted with electric folding door mirrors with LED indicators.

The sumptuous interior is upholstered in

unique black leather with contrasting grey Dinamica® microfibre inserts. This is complemented by the light grey door inserts unique to the 'Axis Edition' models. The front and outer rear seats incorporate heater elements. The premium look of the interior is enhanced by black headlining, black B and C pillar coverings and black sun visors, grab handles and map light switches. Privacy glass and an auto-dimming rear-view mirror are other luxury flourishes fitted as standard. 'Axis Edition' logos are applied to the outer C pillars.

### Lavish specification

The lavish specification includes a seven-speaker Infinity® high-end sound system incorporating a subwoofer and external amp. This includes an AM/FM radio, CD player, USB and AUX sockets and iPod connectivity. Bluetooth music streaming and hands-free phone operation are also supported, with voice control in any of ten languages.

The Axis Edition models also come with a seven-inch touchscreen satellite navigation system including full UK postcode recognition and European mapping for 44 countries. The system includes TMC traffic messaging with a detour function, motorway junction views, lane guidance and a speed limit alert. It allows the driver to input quick, short and economy routes. A reversing camera with views displayed in the touchscreen is an additional useful feature built into the system.

The 'Axis Edition' models are fitted with the same 17-

inch light alloy wheels and 225/60 R17 tyres found on Sportage '2' and 'KX-2' grades.

### Europe-focused powertrains

The 1.6-litre GDi (Gasoline Direct Injection) engine is from the Gamma family. GDi makes it possible to increase power and torque levels while reducing fuel consumption and CO2 emissions. Typically, a GDi engine will deliver seven per cent more torque at low engine revolutions and 12 per cent more torque at high rpm than a conventional engine of similar capacity – and with a fuel economy improvement of around ten per cent.

It develops 133bhp at 6,300rpm and 165Nm of torque (122lb/ft) at 4,850rpm. It is an aluminium 1,591cc 16-valve twin-cam unit with variable valve timing on both the inlet and exhaust valves, and featuring a high 11.0:1 compression ratio.

A fine mist of petrol is injected directly into each of the four cylinders at up to 135 bar in minutely precise quantities and with millisecond timing to ensure the Sportage uses only as much fuel as it needs, exactly when it needs it. The result is highly efficient combustion that ensures excellent performance with low fuel consumption and emissions – the 1.6-litre GDi Sportage with ISG has a combined fuel economy of 44.1mpg and CO2 emissions of only 149g/km. It accelerates from 0-60mph in 10.7 seconds and has a maximum speed of 111mph

## A Haven of Vorsprung Durch Technik

▲ All-new Audi A4

MORE powerful, more efficient, more intelligent: the new Audi A4 and A4 Avant feature numerous premium technologies which set higher benchmarks for their class. Elegant design blends with an innovative control concept, and lightweight construction meets new, efficient drivetrain solutions. The A4 and A4 Avant are also ahead of their peers in terms of infotainment and assistance systems. As a result, UK customers who will begin taking delivery of their cars in late 2015 can look forward to a truly high-tech experience — an innovative synthesis of technology and aesthetics.

When it comes to aerodynamics, the two new models dramatically outpace the competition. The A4 Saloon has the best drag coef-

ficient in its class at 0.23, and the A4 Avant pierces the air almost as cleanly with a 0.26 figure. The new models also have impressively low CO2 emissions which in the 2.0 TDI ultra dip below 100g/km.

The most powerful engines are two TDI six-cylinder units with up to 272PS. Driver assistance and infotainment systems are of luxury quality. A new generation of four-cylinder TFSI engines with newly developed combustion methods sets benchmarks in terms of fuel consumption, emissions and performance for four-cylinder petrol engines.

At 4.73 metres long and with a wheelbase of 2.82 metres — the new Audi A4 and A4 Avant have a confident stance on the road. A prominent horizontal line on the front and

rear emphasises the car's width. The flowing design with concise lines communicates the sporty elegance of the brand. The Single-frame grille is wide and low; the optionally available headlights in LED and Matrix LED technology (including dynamic indicators) make technology a visual trademark.

### Up to 120 kilograms lighter

Compared with the previous model, the car's dimensions have grown but its weight has been reduced significantly — by up to 120 kilograms, depending on the engine. The body of the new Audi models is one of the lightest in its class thanks to an intelligent material mix and lightweight construction.

The Audi A4 is a leader in its class also in terms of noise levels. All occupants enjoy generous space; the smooth lines emphasise the width of the interior. The front of the dashboard features a broad band of air outlets and a large decorative surface. At night, optional discreet contour lighting illuminates the doors and the central console. The quality of workmanship is uncompromisingly high. Colours and materials follow a new line concept allowing customers even more freedom during configuration.

### Sensor-controlled opening of luggage compartment: the A4 Avant

The luggage compartment of the new A4 Avant offers storage space of 505 litres, which is the highest value in this class. With the rear seats folded down and loaded to the roof, a volume of 1,510 litres is available. The electric luggage compartment cover and elec-

tric tailgate are standard equipment. An optional extra is sensor control for opening and closing the tailgate.

The two new models offer an abundance of intelligent technologies, the use of which is even more intuitive with the new Audi MMI display and control concept. Technological highlights of the new A4 include the Audi virtual cockpit, the Audi Matrix LED headlights, the Audi smartphone interface, the Bang & Olufsen Sound System with 3D sound, the Audi phone box with wireless charging, the head-up display, and new driver assistance systems and Audi connect services.

### Information and fascination: the Audi virtual cockpit and the MMI

The focus here is on two innovations. The optional Audi virtual cockpit, a fully digital

combination instrument, features a 12.3-inch LCD screen that displays the most important information in brilliant high-resolution graphics, with great detail and sophisticated effects.

The MMI control concept in the centre console is also a newly designed feature and acts as the main control element. The top-end infotainment system, MMI Navigation plus with MMI touch and a large 8.3-inch monitor, has a touchpad in the rotary controller to zoom in and out and to enter characters. The entire MMI control logic is similar to that of a smartphone and includes an intelligent free-text search function. The new, more natural, voice-control system also understands input in normal everyday language, such as "I want to call Peter Miller."

# New Fiat 500 Revealed

A SYMBOL of mass motorisation in Italy, of which almost 3.8 million were sold, the original FIAT 500 was introduced on this day in 1957. Exactly fifty years later, on July 4 2007, FIAT chose to celebrate that heritage by introducing the New FIAT 500, a car which embodied the same spirit and personality as the original and which has also enjoyed phenomenal success all over the world.

Eight years on, with over 1.5 million produced, the torch is now being passed to the New FIAT 500 with which FIAT is preparing to take on new market challenges without forgetting its illustrious roots. Centro Stile FIAT has re-freshed the exterior and interior, retaining the unmistakable 500 look that has made it such a global success but at the same time making even more attractive and contemporary. It has not grown in size but it has grown in maturity with advanced technologies, improved efficiency and even more customisation ideas. In this way, FIAT has carefully evolved and re-fined the features which have made it an Italian masterpiece in the first place.

Available in two body styles (hatchback and convertible), the New FIAT 500 will be available in

three trim levels: Pop, Pop Star and Lounge. All models have LED daytime running lights, seven airbags and a Uconnect infotainment system with six speakers, AUX-IN/USB ports and steering wheel remote controls as standard equipment. The Pop Star version in the UK adds air conditioning, body-colour mirror caps with de-frosting function and 15-inch alloy wheels, while the Lounge version adds sophisticated features such as a panoramic glass sunroof, rear parking sensors, a chrome front grille, front fog lights, a leather-trimmed steering wheel and a Uconnect 5" LIVE touchscreen infotainment system with smartphone integration and numerous built-in apps to help users stay safely connected while on the move.

The engine line-up of the New FIAT 500 at launch includes a 0.9-litre TwinAir engine (85hp or 105hp) and a 1.2-litre 69hp unit. The two-cylinder engines boast exceptional efficiency – 90g/km for the 85hp engine and 99g/km for the 105hp unit – while a new 'Eco' configurations of the 1.2 litre 69hp (available after the launch) will reduce emissions to 99 grams of CO2 per kilometre (UK availability TBC).

▲ New FIAT 500

Bold and seductive, the New FIAT 500 benefits from no fewer than 1,800 innovative detail changes, all designed to enhance the ownership experience and refine its inimitable style. Most noticeable are the new front headlights with LED daytime running lights and the new rear light clusters, not to mention the revised colour palette; the revamped dashboard and the improved materials used throughout. The updates are substantial, with a focus on technological evolution, but loyal to the unmistakable 500 style so as not to upset the successful balance of exclusivity and accessibility it embodies. The FIAT 500 is a global best-seller with a quintessentially Italian heart – elegant and stylish but also affordable and packed with fun – and with its carefully considered enhancements, New FIAT 500 will undoubtedly reassert itself as the benchmark in its segment from every perspective.

## Elegance and Innovation Inside

The interiors are extensively revised, most noticeably in terms of dashboard design: it now integrates the advanced Uconnect infotainment (touchscreen on the Lounge version) across the range. The unit is not only easier to read and more

intuitive to use, it also improves connectivity and functionality. The dashboard dome and air vents are also redesigned to accommodate the new unit.

The new steering wheel features new remote control buttons which are easier to operate and, thanks to their chrome-plated edging and high-quality materials, more pleasant to touch and to behold. The circular instrument cluster, with analogue dials for speed and engine revs and digital secondary gauges, is retained for Pop and Pop Star models, while the innovative seven-inch TFT display, developed in collaboration with Magneti Marelli - the international leader in the design and manufacture of high-tech automotive systems and components – is optional on the Lounge version.

The driver can monitor data from the speedometer, odometer and trip computer simultaneously at a glance, while the central section of the display – sporting an image of the car – can be configured to show distance travelled, fuel consumption, range, trip time etc. Warning messages and the Gear Shift Indicator, which advises when to shift gear to maximise fuel-efficiency, are also displayed in this cluster in a highly visible manner.

◆ SEATON Town Cricket Club's Christian 'Bean' Pinnock (pictured above being carried from the field) had an eventful evening recently when the club's U12s entertained Sidmouth at Court Lane.

Seaton batted first and posted 118 thanks to Tim Doulton 30 (retired), Sam Dormor 20 (ret) and 17 from Jed Pinnock who, after being given not out, sportingly walked.

Bean opened the bowling and in his first over had a double-wicket maiden removing both Sidmouth openers. His next over resulted in a wicket maiden, his third saw another wicket fall for three runs. His fourth and final over saw another wicket maiden seeing him finish with superb figures of 4-3-3-6.

Daniel Thomas and Finlay Copp were also amongst the wickets. Both bagged a brace of wickets for a combined total of six runs.

The unfortunate Sidmouth side scored a total of just 12 runs but were all gracious in defeat and joined in congratulations for Bean. Seaton's first XI captain – Ben Morgan was there to watch and asked if Bean was available on Saturday!

to Kilmington & Stourton 2nds 182 for 2 by eight wickets. All Saints 11pts Kilmington & Stourton 2nds 29pts.

The Hillclimb is driven

◆ EFFORTS REWARDED: Gary Le Coadou pictured with his awards and (below) displaying a 'Thanks Marshals' banner

along with crowd favourite Jensen Button.

The festival is the biggest motorsport event of its type in Europe set in the grounds of Lord March's Estate near Chichester and attracts over 150,000 spectators over the duration of the three-day event.

This year, Gary was honoured to win a special award voted for by the stage Marshals who judged his flamboyant driving style in the Goodwood forest to be the most entertaining of all the entrants.

At the end of the event Gary took his Toyota Celica down and displayed it on the lawns outside Goodwood House for the Awards Ceremony where he was presented with a magnum of champagne and winner's medal from Lord March.

# Upwoman complete perfect run

A 58-44 win over Otters saw Upwoman complete their Pool A games with an unbeaten record.

This meant that Signs South West needed to win to finish second to make the play-off for third place.

With Emma Burroughs playing well Upwoman increased their goal advantage from the start and although both Tracy Moran and Helen Wright worked hard for the Otters they fell further behind.

Signs South West were up against Toucans Old Birds and with Debbie Wheeler in good form they were 42-33 ahead going into the final quarter.

The Sidmouth side weren't taking it lying down and, with Helen Terry at GA leading the way, they fought their way back with SSW just holding on to win by 48-46 and clinch second place.

Beer Blazers finished their first season with a 54-51 win over Tip Top Trees for whom Jess Jeffery had another good game. Helen Friend was

the Beer star.

The other game of the night saw Otter Valley defeat Swaggar Mamas 57-48 with a fine last quarter performance that saw them take the lead just when it was needed.

Catherine Phillips was the Valley star whilst Jenny Wiscombe caught the eye for the Mamas.

## Pool B

WITH one game left in pool B only three points separate the top four places with Flamingos and Toucans Chicks still unbeaten.

Ford & Pentecost Panthers moved into third place thanks to their 55-40

victory over Howden Hawks. Lacey Dorliac was the pick of the Panthers whilst Ameerah Askew caught the eye for Hawks.

The other match saw Flamingos keep their unbeaten run in a very close encounter with Hi Q who got off to a great start and led 8-3 at quarter time.

Flamingos then slowly reduced the arrears so that going into the final quarter Hi Q had a 23-22 lead.

Stacy Salter was playing well for Hi Q but a determined Sonia Yorke urged Flamingos on and at the close they had sneaked a 30-29 victory.

## Stunning Golden Cap is worth the toil

CHARD ROAD RUNNERS with Paul Masters

SATURDAY saw Julie Bindon, Claire Pomeroy, Gary Wheaton and Simon Hall head off to see if the CHARMOUTH CHALLENGE lived up to its billing on another balmy hot Saturday afternoon.

With a mile climb from the start CRR's were part of the majority when the need to break into a speed walk up the latter steeper section of the hill came upon them, with this the most southerly recognised official trail race walking was going to be the order of the day on other steep climbs.

With the hills adding to the heat of the day runners were glad of the strong wind at the top, Simon Hall led CRR's over the top of the first hill.

The famous Golden Cap was the next goal, at the summit Gary Wheaton was leading CRR's pack.

With the race rolling up and down the hilly coastal path Julie and Claire kept swapping places before Julie finally pulled away.

At the finish there were just a few minutes between Gary (172nd 1:30:35) Simon (185/01:34:05), Julie (191/01:36:53) and Claire (196/01:38:45). The highlight on such a hot day as the runners crossed the line was the traditional hosing down for the 231 finishers by the local firemen!

On Sunday Wayne Loveridge and Helen Baxter tackled the QUANTOCK BEAST.

Being round 12 of the Somerset Series this race attracted a strong field to cover the 10k of mud and hills that makes this the toughest off road race of the 20 race series.

Both runners managed to maintain good momentum with Wayne crossing the line in fourth place and Helen secured a fantastic finish to round off a very hot race.

HONITON RC with Judy Davey

ON Sunday, June 30th, four Honiton Running Club members took part in the TORBAY HALF MARATHON at Paignton.

This is a two lap route that takes in stunning coastal views across Torbay.

Steve Selley had a great race even though it was hillier than he had anticipated. He came 172nd in the fantastic time of 1 hour 35 minutes.

David Perkins, sporting his Honiton vest for the first time, was next back coming 602nd in 1:51.

The ladies of the Club followed in the form of Katy Campbell who came 783rd in 1:57 and Kathy Layzell who came 1020th in 2:06.

The race was won by Jonah Cheshum in the time of 1:09. Six Honiton runners went to Charmouth on Saturday to take part in the CHARMOUTH CHALLENGE organised by Charmouth Primary School. The weather was a little too hot for racing although runners did feel the benefit of a cooling breeze on some of the descents.

The race is the most southerly fell race in the country and includes two steep and long climbs.

The first is within the first mile climbing up the infamous Stonebarrow Lane and later on in the race runners climb up Golden Cap, the highest point on the South Coast at 191m.

It's all worthwhile though as racers are treated to the breathtaking views of the Jurassic Coast.

The winner was Jamie Parkinson in the amazing time of 50:32. Honiton's first runner home was Steve Davey who came 53rd in 1:10. Howard Bidmead knocked minutes off last year's time coming 65th in 1:12 and he was followed by Mark Dallyn who also had a great run to come 68th in 1:13.

Judy Davey was pleased to come 80th in 1:16 just ahead of first timer for the race Tim Wigram who finished 87th in 1:17. Nicola Greenland is relatively new to HRC and this was a brave race to tackle. She finished 164th in 1:29. There were 231 finishers.

Sam Dowson and his brother Archie tackled the fun run

of 1.8 miles.

Sam did amazingly well to come 4th overall just 15 seconds behind Mathew Lissenburg who won the race. Archie is showing incredible form for his age and came 11th in 13:43. There were 151 finishers in this race.

AXE VALLEY RUNNERS with Dave Mutter

THE eight-mile CHARMOUTH CHALLENGE that includes a traverse of Golden Cap, the highest point on the south coast, is quite often held under sultry conditions.

This year was no exception and as usual the climb up to Golden Cap was performed under suffocating heat.

Jamie Parkinson of Dartmoor Runners embraced the conditions to win in 50:32.

Matt Clist was the first AVR home, 4th overall in 54:40, he was followed by Jonathan Day 29th, 1:03:59; Chris Keefe 51st, 1:09:31 just ahead of Simon Gould, 52nd, 1:09:54. Eleanor Wood was the first over 50 lady, 57th overall in 1:10:51 with Robin Britton 83rd, 1:17:07.

Margaret Pearce was chuffed to finish 109th, 1:20:34 ahead of a battle between Chris Hill and Nick Adams that was won by Chris who was 141st, 1:25:16 with Nick 4 seconds adrift.

Anna McLaughlin was 149th, 1:26:26 and Mark Hardin-Perrott 166th, 1:29:25 just ahead of Angela Kerr 176th, 1:31:50. Canny Hart was 200th, 1:41:10 and Robert Kerr finished 202nd, 1:41:38 with Martin Kerr 213th, 1:44:02. There were 231 finishers of this tough challenge.

Chris Watson ran the shorter 1.8 mile course that still encompasses the ascent up the notorious Stonebarrow Lane and ran well to be 17th out of 151 in 14:01.

## Fantastic fourth for Gilliard

HONITON with Liz Rogers

## Men's Section

ON Sunday, June 28th the Club held it's annual Club Championship, a 36-hole Scratch Competition.

Winning for the fourth consecutive year was Mark Gillard with a total of 148. Next up were the Tierney brothers - Mark taking second place with 152 and John third place with 154.

The previous day the Men's team continued their fine form with an impressive 3 1/2 - 11 1/2 win away at Boringdon Park in the Dartmoor League.

The win keeps them top of the Division halfway through the fixtures.

The Devon County Golf Union held a Seniors Scratch Championship at Boringdon (Saltram) on June 19th. There were 38 players competing for a Seniors Order of Merit ranking.

Our own Chairman, Peter Clarke, can stand proud with his achievement, a brilliant fourth place.

Club Captain Stewart Slater reports that he had the privilege to play in a team Pro-Am event at Torquay Golf Club with James Pickard (Honiton assistant Professional), Rob Willey and Jeff Peace on Friday, June 12th).

A good team performance saw them take third place and win a smart Odyssey putter each.

## Mixed Section

IT was fortunate that there was a light breeze as conditions were very warm for the players competing in the Chivers Goblets.

There was a draw for playing partners and the format was a Greensome Stableford. This meant that all players were able to drive and then choose the best drive to take for the next shot.

Thirty four members participated and the winners were Jan Portlock & Ian Guy with 38 points. In second place were Di Wall & Peter Clarke with 37 beating Janet Hughes & Jason Gosling on countback.

In fourth place with 36 were Penny Blackburn & David Hughes.

Chairman Peter presented the prizes and thanked Di and Phil who have now finished their stint as organisers.

## Ladies Section

THIS week the competition was the monthly Medal. In the Silver division, Mona Carter and Anne Davies both had a net 74, but Mona took first place on countback.

Following closely behind was Olwen Eaton who continued her good form, after a handicap reduction a couple of weeks ago, with a net 75.

In Bronze One Division Jane Watts came in with the joint best score of the day, a net 71, to take first place and reduce her handicap. She was followed by Linda Blundell who is playing some excellent golf at the moment, and had a net 73 and also a reduction in handicap.

Liz Rogers took third place with a net 78, beating Janet Hughes on countback.

In Bronze Two Division Lesley Farley brought in the other joint best score of the day with a net 71 and also reduced her handicap.

Country member Sally Chapman took second place with a commendable score of net 73.

In the nine-hole Stableford competition Andrea Squire took first place on countback with a score of 16 points.

## Seniors Section

In the Seniors' Bowmaker Mike Watts and his team of Dave Morgan & John Pawley showed up every other team in the 63-player field by scoring 85 points, and bagging two 2s on the way round.

Stan Squire, Tom Tunnicliffe & Alan Morris came second with a creditable 79 points.

The other prize-winning teams were Peter Shepherd, Max Pipe & Mike Delaney and Ron Graham, John Chew & John Vessey.

AXE CLIFF with Helen Kenworthy
